Cascadia Green Wall System

Straiton Mountain Estates, Abbotsford  
67 Lot Residential Strata Subdivision  
CASCADIA MSE GREEN WALL - PROJECT TESTIMONY

“Jakes Construction is pleased to recommend Denbow’s Cascadia MSE Green Wall system. Working with Denbow on the installation of the Cascadia MSE Green Wall for the Straiton Mountain Estates Development project, we were both satisfied with this sustainable wall product and the professionalism of staff and execution of the work.”

Respectfully,  
Adrian Boer, ASCT, Manager of Engineering
