

DENBOW

innovating naturally

Denbow has built a comprehensive fleet of equipment, allowing us the ability to deliver bulk materials efficiently throughout southern B.C. and northwestern Washington state.

BULK TRANSPORT

For your bulk transport needs, we have a fleet of walking floor trailers and B-trains. Smaller deliveries are also available with our box trucks in various sizes.

We deliver locally with a one-ton dump truck, perfect for hobby farms and home owners who don't need too much material.

We are your solution for transportation of bulk material – call us today to arrange delivery!
